

Primary Schools – Why choose us?

Are you looking for somewhere safe, exclusive, and welcoming with a programme which is tailored to you, educational and FUN! Then look no further.

Staying at Menadue means private use of this stunning site.

Whether the focus of your primary school residential is to enjoy the activities that we can arrange for you or to include some educational input, a week with us will provide a valuable and memorable experience.

We will work with you to create a bespoke programme for you. You can vary your length of stay to suit you and your students.

We work alongside external providers to offer a huge range of activities to best suit your group and objectives, from coasteering to castle visits.

We have a variety of outdoor and indoor games that can be used during any 'down time' so the children will always have something to do!

One free teacher place is given per every 10 students but please do contact us if you require space for additional support staff.

Private lounge and free Wi-Fi for teachers.

We care about what you think and if adaptations need to be made during your stay, we will do what we can to make that happen.

We look forward to welcoming you.
