New to the Team at Menadue

Centre Administrator

Sarah joined the team at Menadue towards the end of February and has already been busy setting up our social media accounts on Facebook, Twitter and Instagram along with this new look newsletter.

Sarah

"I'm really excited to be joining Menadue and to help the team work towards promoting and increasing the centre's profile in the South West and UK".

Sponsorship

We want our guests to enjoy the fresh air and fabulous views from Menadue, so we're looking for folk to sponsor a picnic table like the one in the picture on the right. The tables are manufactured using 100% recycled materials.

If you could help us raise £3,100 for 10 tables then please use the Donate button on the website.

Thank you

We are thankful to God that through the generosity of his people we have received £16,600 in gifts since the beginning of 2021. We still have some way to go to cover the costs of the development so we would be grateful for gifts or loans of any size; no amount is too small for the Lord to multiply and use. One-off and regular gifts can be made through our website, please get in touch if you are able to offer us a loan.

Menadue Site

We're thankful to our builders Pete and Mark for working through the wet and cold of January and February. As you can see from the pictures, last week they erected the frame for the new shower block. The next stage is to clad and roof the frame and insert the shower pods, before moving on to the accommodation block.

On the Look Out

We are still on the look out for a Safeguarding Co-ordinator; someone who can independently confirm that our policy and procedures are in place and working, and act independently on behalf of MMT should the need ever arise. If you, or someone you know, could fulfil this role on our behalf, please ask them to get in touch.

Trustees

Austen Knapman, who has been a trustee of MMT since its inception in January 2015, did not offer himself for reappointment when his term of office came to an end in December 2020. We are immensely grateful to Austen for his wise counsel and practical help over the years and he remains deeply committed and involved in seeing the current project through to completion.

The trustees of MMT would be pleased to know of anyone who feels they could support the work at Menadue by becoming a trustee. It's not all meetings, it's primarily about supporting the work of the LORD as it expands to reach more youngsters and adults with the gospel. Please get in touch with Chris Bartlett (07789 686 866) to find out more.

We thank you for your ongoing support and prayers as we make Menadue ready for the coming season.

CHRIS BARTLETT, KEVIN BARTLETT, PHIL CRANCH,

GRAHAM MASSEY AND PHIL WILCOCKS.
