

Primary Schools – Why choose us?

Are you looking for somewhere safe, exclusive, and welcoming where you can tailor your own program in a educational and FUN environment! Then look no further.

Staying at Menadue means you can have private use of this stunning site and request exclusivity where appropriate.

Whether the focus of your primary school residential is to enjoy the activities booked with local providers, or to include some educational input, a week at Menadue will provide a valuable and memorable experience.

We have done the hard work for you, building relationships with local activity providers over many years. You can book activities that can be brought on to the site or explore the many options along the coast and onto the moors. You can vary your length of stay to suit you and your students.

We have a variety of outdoor and indoor games and equipment at your disposal, which can be used during any 'down time' so the children will always have something to do!

We do our best to make the historical site of Menadue as accessible as possible, but please do contact us if you have specific needs and we will answer you the best we can. We can also arrange visits to the site for pupils and parents that may find this helpful. Also contact us if you require space for additional support staff.

A separate lounge and free Wi-Fi for teachers is available in the Farmhouse.

We care about all the needs of pupils and staff, so no question is too much for us. We have the flexibility to explore options a help make your residential stay exactly what you hope for.

We look forward to welcoming you.

Arrange a visit...

Why not come and visit us to see the site, shape your residential better and talk about your groups needs further.
